ROOSEVELT SCHOOL DISTRICT

The **George Benjamin Brooks Community School** participates in a collective impact model in loose coalition with Cultivate South Phoenix (CUSP), as well as many other not-for-profit entities. Our shared mission is to promote the wellness of families and children in south Phoenix by supporting and leveraging the efforts of a broad range of organizations with a shared vision of improving the natural, built, and social environments. We do this through community engagement in leadership, advocacy, programs, services, and activities within and across all dimensions of wellness.

ALESI GROUP

Alesi Group is a leader in innovative, brain-based training, coaching, and consultation designed specifically for early childhood education and child welfare professionals, and groups and organizations who provide services to young children and their families. Alesi Group offers tours of a model kindergarten classroom—an intentionally designed environment grounded in current brain research, supporting the growth and development of the whole child. Our efforts are to improve the quality of early childhood practices, creating the necessary foundations for lifelong success.

BLACK WALL STREET

Black Wall Street Arizona Inc is a nonprofit 501(c)3 Business Incubator which has been serving the community since 2016. Our mission is to build generational platforms based on sound knowledge, accountable, actionable, and measurable principles, which result in overcoming obstacles and embracing success. We promote economic soundness and we understand the importance of business creation and it's expansion statewide. We create statewide programs, workshops and collaborations, and we work towards building a virtual global wall street. Please visit us online at www.bwsaz.org for further information and to make an appointment to speak with one of our professionals.

BUILDING COMMUNITY RESILIENCY AND SUSTAINABILITY THROUGH A COMMUNITY

THE ORCHARD COMMUNITY LEARNING CENTER

The Orchard is a meeting place where organizations, schools, and families gather to learn, work, and develop relationships, all of which can empower them to tackle some of the most difficult issues facing our community: obesity, lack of civic voice, and poverty. The work of the OCLC is actualized in 3 areas, "Farm-to-Table", "Community Conversations", and STEA²M (Science, Technology, Engineering, Arts, Agriculture, and Math).

MENTOR KIDS USA

MentorKids USA equips and empowers youth in under-served communities in the Phoenix area to become transformative leaders in their lives, their families and their communities, allowing those youth to reach their full potential. We offer support in academics, leadership development, spiritual development, and life skills. In order to help kids, you also have to work with the community around them. **Promise Neighborhoods** bring together youth, families, mentors, volunteers, churches, local businesses and other partners in under-served communities with the purpose of creating long-term solutions to the challenges facing our youth.
