

2019 RSD Soccer Championship and All-Star Games
April 24, 2019

Roosevelt Leaders,

Intentional and collaborative community outreach was a key initiative of the arts and athletics department throughout this past semester. The benefits are numerous, but at minimum, we want to continue to be able to offer the students and families more and exciting opportunities while bringing exposure to RSD, all-the-while broadening our community collaborative culture.

As a result of a group of incredible efforts, and the generosity of United Healthcare, it is with sincere pride to be able to announce that our student athletes will be playing their Championship and All-Star Games alongside the Phoenix Rising, professional soccer team.

- At the camp, UHC will donate ten (10) soccer balls to each coach present.
- UHC has purchased additional trophies for our teams and student athletes.
 - CEO, Joe Gaudio, will also assist in presenting these trophies alongside RSD leadership.
- There will be a health fair present.
- Water available for all attendees and each child who participates receives a soccerball and a Phoenix Rising backpack.

TRANSPORTATION DETAILS

- All buses will **depart at 7:15am** from designated sites explained below to the site of the games and will return after the closing of the event.
- We will have four (4) buses available for our student athletes on the final eight (8) teams. They are numbered to indicate with teams will be on the same bus.

Girls	Boys
Sunland; Bus 1	Sunland; Bus 1
Lopez; Bus 2	Chavez; Bus 2
Southwest; Bus 3	Jorgensen; Bus 4
Greenfield; Bus 3	Pastor; Bus 4

All-Stars

- All-Stars for a school who has either boys or girls playing in the final 8 needs to meet at that school.
 - Example: If I am a Boy All-Star for Lopez, my fellow classmates are in the final 8, I meet at Lopez.
- All-Stars where a school does NOT have a team in the final 8, needs to meet at the district office where transportation will be provided. They are as follows:

All-Stars to meet in the front of RSD District Office 6000 S. 7 th St., 85042	
Bernard Black	Julian
Bush	Lassen
Campbell	Valley View
Davis	

- Because of spacing of the four buses, only coaches and participating student athletes will be able to be on the buses.
- Families that are driving simply need to state that they are a part of our event and parking will be free!
- *Thank you to United Healthcare for coving the cost of transportation.*

Thank you and cheers to all of your support and efforts throughout this season. We are looking forward to seeing you this Saturday.

Most Sincerely,

Jon Gentile and Andre Nillo
